

American Muscle Cup Racing Series

Open Class Supplement

Purpose: This class' intended purpose is to provide a location for vehicles that otherwise wouldn't fall under the standard American Muscle Cup set of rules.

Rules:

A. Allowed vehicles

- a. Any vehicle of any manufacturer (Domestic, Import, or European) that has been swapped with an engine that is built and used in an American vehicle.
 - i. Ex: LS engines, Coyote Engines, Ecoboost Engines, or Ecotec Engines
- b. Any vehicle from an American manufacturer that has been swapped with an engine that is built and used by any vehicle manufacturer (Domestic, Import, or European).
 - i. Ex: Mustang with 2JZ Engine Swap
- c. Vehicles manufactured and sold by Kit car companies
 - i. Vehicle **MUST** have an engine of American Origin
 1. Ex: LS Engines, Coyote Engines, Ecoboost Engines, or Ecotec Engines
